INDICATORS	SD (1)	D (2)	A (3)	SA (4)
A. Academic Demands				
1. I find the instructions for my academic tasks to be confusing or poorly defined, leading to frustration.				
2. I have insufficient time to deeply understand the material due to the rapid pace of the curriculum.				
3. I am unable to complete my course requirements without sacrificing essential sleep or nutrition.				
4. I feel emotionally exhausted daily due to the mental effort required for my studies				
5. I experience physical symptoms of stress (e.g., headaches, stomach pain) due to my studies.				
INDICATORS	SD (1)	D (2)	A (3)	SA (4)
B. Technical Skills Acquisition				

The Relationship Between Adversity and Academic Performance of Radiologic Technology Students of Calamba Doctors' College

CDC RadTech

1. I need further explanation to understand how an X-ray machine works and its components fully.
2. I am still developing my theoretical understanding of radiation protection principles.
3. I find myself struggling to identify specific anatomical landmarks on diagnostic images.
4. The limited availability of X-ray lab equipment for practice significantly hinders my ability to master technical skills.
5. I find applying my classroom knowledge to practical technical scenarios a significant hurdle.

INDICATORS	SD (1)	D (2)	A (3)	SA (4)
------------	-----------	----------	----------	-----------

C. Time-management

1. I am easily overwhelmed when several academic deadlines overlap.
2. I find it challenging to manage my time when faced with multiple academic requirements
3. I find it hard to follow the study schedule I set.
4. I often struggle to balance my study time with personal responsibilities.
5. I sometimes have difficulty preparing for exams.

Part III. Academic Performance

Directions: The statements below will be used to determine the respondents' academic performance. Put a check mark (/) in the column corresponding to your selected response. Use the following as a guide:

1 = Never

3 = Often

2 = Sometimes

4 = Always

INDICATORS	1	2	3	4
------------	---	---	---	---

A. Attendance

1. I attend my classes on time.
2. I prioritize attending my classes over other non-academic social activities.
3. I promptly notify my instructor when I am unable to attend class.
4. I only miss class when it is absolutely unavoidable (e.g., severe illness or emergencies).
